MULTI SURFACE PROTECTION

Any surface treated with Clean Shield Total Protection begins to actively alter gases and chemicals in the air around it. Under a microscope, the surface actually vibrates. This active surface works 24/7 for years.

ODOR ELIMINATION

Clean Shield Total Protection is a world class eliminator of smells. We eliminate smells, we do not mask them, we molecularly change and actively removes them so they no longer exist.

ANTI STAIN SURFACE CREATED

Clean Shield mitigates staining from adhering to the surface of materials. Once Clean Shield is active it protects your surfaces from Stains and odors.

OUR VISION

"PROVIDING TOTAL HOME PROTECTION"

WHY CHOOSE US

Your surfaces are now vibrating with activity at the molecular level. Pulling odor, stains, and more out of the surrounding environment. What makes us different is that unlike regular Titanium Dioxide coatings we work at night, underwater, or in areas that don't receive direct sunlight. Meaning these little active hydroxyls keep working 24/7.

WHAT WE DO

Our Clean Shield technician will come in and apply protection to any and all surfaces you choose. We guarantee 99% effectiveness including

- Odor Removal and Protection
- Stain protection on furniture, flooring and grout.
- Anti Oxidation
- An additional layer of Fire retardancy.

CLEAN SHIELD

*How clean is
the air you
breathe?*

OUR FUTURE PLAN

We look forward to building a lasting relationship with all of our clients. We guarantee to reduce the spreading of Influenza, Covid-19 and even the common cold.

Clean shield will also protect your flooring from pet stains and odors, red wine, mud and any other spots, smears and splatters life can dish out.
